

OREGON FESTIVALS & EVENTS ASSOCIATION

Making Oregon festivals and events better through
Resources, Education, Promotion, and Networking.

Strengthen Events. Grow Communities. Build Oregon.

As a Chamber, Visitors' Association, or community organization, you're at the heart of helping your town thrive. By joining the Oregon Festivals & Events Association (OFEA), you'll not only gain access to valuable resources, connections, and industry expertise, you'll also be able to extend those benefits to others in your community.

BE YOUR COMMUNITY HERO:

As an organization, your membership includes the opportunity to **bring in up to three smaller groups** that you think could benefit from the OFEA. These smaller "cultural members" could include a library, museum or arts center, community center, or micro-event in your area.

Each cultural member receives their own full OFEA membership **free of charge** as long as your membership is active. They'll receive access to tools, workshops, and statewide support that help events of all sizes succeed.

Together, we can elevate festivals and events across Oregon,
strengthen local pride, and fuel economic growth.

Annual Membership for organizations start at \$125.

Visit our website, www.oregonfestivals.org to apply
and see the list of full membership benefits.

Let's build better events—together.

Because no event is too big or too small when you're part of a community that celebrates them all. Visit oregonfestivals.org to learn more.
